4. ASSOCIATION MEMBERSHIP AND VOTING RIGHTS.

A. **Membership.** The Association shall have one class of membership. Each Unit Owner shall be a member of the Association. This does not include persons who hold an interest merely as security for the performance of an obligation. The giving of a security interest shall not terminate an Owner's membership. No Owner, whether one or more Persons, shall have more than one membership per Unit owned in the Community. An Owner's spouse or Domestic Partner may exercise all membership rights and privileges of the Owner.

B. **Voting.** The Owner(s) of the Unit shall be entitled to one equally weighted vote for such Unit, which vote may be exercised and suspended as provided in this Declaration and the Bylaws.

5. ALLOCATION OF LIABILITY FOR COMMON EXPENSES.

A. **General Allocations.** Except as provided below, or elsewhere in the Act or the Association Legal Instruments, the amount of all Common Expenses shall be assessed against all the Units equally.

B. **Specific Special Assessments.** Notwithstanding the above, the Board of Directors shall have the power to levy specific special assessments pursuant to Section 44-3-225(a) of the Act as, in its discretion, it shall deem appropriate. Failure of the Board to do so shall not be grounds for any action against the Association or the Board and shall not constitute a waiver of the Board's right to do so in the future.

6. ASSESSMENTS.

A. **Purpose of Assessment.** The Association shall have the power to levy assessments as provided herein and in the Act. Assessments shall be used for any purpose the Board of Directors determines will benefit the Owners or the Community.

B. **Creation of the Lien and Personal Obligation For Assessments.** Each Owner of any Unit, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association all assessments and other charges levied pursuant to this Declaration and the Bylaws.

All assessments and charges levied against a Unit and its Owner, together with interest, costs and reasonable attorneys' fees actually incurred (including post-judgment attorneys' fees, costs and expenses), and rents (if the Board of Directors so elects), in the maximum amounts permitted under the Act, shall be: (1) a charge and a continuing lien against such Unit; and (2) the personal obligation of the Person who is the Owner of the Unit on the due date of the assessment. Each Owner and his or her grantee shall be jointly and severally liable for all assessments and charges due and payable at the time of any conveyance of the Unit. The Association, in the Board's discretion, may record a notice of such lien in the DeKalb County, Georgia land records evidencing the lien created under the Act and this Declaration. The lien provided for herein shall have priority as provided in the Act.

Assessments shall be paid in such manner and on such dates as determined by the Board of Directors. No Owner may exempt himself or herself from liability, or otherwise withhold payment of assessments, for any reason whatsoever.

C. **Delinquent Assessments.** All assessments and charges not paid on or before the due date shall be delinquent, and the Owner shall be in default. In addition to the powers set forth below for collection of unpaid assessments and charges, the Association shall be entitled to exercise all other rights and remedies provided by law and in equity to satisfy an Owner's debt.

If any assessment or charge, or any part or installment thereof, is not paid in full within 10 days of the due date, or such later date as may be provided by the Board of Directors:

(i) a late charge equal to the greater of \$10.00 or 10% of the amount not paid, or such higher amounts as may be authorized by the Act, may be imposed without further notice or warning to the delinquent Owner;

(ii) interest at the rate of 10% per annum, or such higher rate as may be authorized by the Act, shall accrue from the due date; and

(iii) the Board of Directors may accelerate and declare immediately due any unpaid installments of that Owner's assessments and charges. Upon acceleration, the Owner shall lose the privilege of paying such assessments and charges in installments, unless the Board otherwise reinstates such privilege.

If assessments or other charges, or any part thereof, remain unpaid more than 30 days after the due date, the Owner's right to vote and use the Common Property are suspended automatically until all amounts owed are paid in full or the Board of Directors otherwise reinstates such rights in writing; provided, however, the Board may not deny ingress or egress to or from a Unit.

If part payment of assessments or other charges is made, the amount received may be applied first to post-judgment attorneys' fees, costs and expenses, then to costs and attorneys' fees not reduced to a judgment, then to interest, then to late charges, then to delinquent assessments and then to current assessments. Late charges may be assessed on delinquencies that are created by the application of current payments to outstanding delinquent assessments or charges.

D. Computation of Operating Budget and Assessment. To establish the annual assessment for a fiscal year, the Board of Directors shall prepare a budget covering the estimated costs of operating the Community, which may include a reserve contribution as provided below. The Board shall provide the budget to the Owners at least 21 days before the due date of such assessment, or the first installment thereof. The budget and the assessment shall become effective unless, before the due date of such assessment, a majority of the total Association membership votes to disapprove them at a duly called membership meeting.

If the membership disapproves the proposed budget or the Board of Directors fails for any reason to determine a new budget, the budget then in effect shall continue until a new budget is adopted as provided herein. The Board may adopt an adjusted budget at any time during the year following the procedure specified above.

The budget shall not operate as a limitation on expenditures by the Board of Directors. The budget is merely an estimate of Common Expenses on which the Board establishes the annual assessment.

E. Special Assessments. In addition to all other assessments and charges provided for herein, the Board of Directors may levy a special assessment against all Owners for any purpose. Special assessments totaling more than \$300.00 per Unit in any fiscal year must first be approved by at least a majority of those Owners either voting by written consent or ballot pursuant to the Bylaws, or at least a majority of those Owners present or represented by proxy at a duly called meeting of the members, notice of which shall specify the purpose of such meeting.

F. Capital Budget and Contribution. The Board of Directors may prepare an annual or multi-year capital reserve budget and may establish a capital reserve fund contribution based on such budget. Capital reserve budgets should take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost.

G. **Capital Contribution Assessment Upon Transfer of Units.** In addition to all other assessments and charges provided for herein, upon any conveyance or transfer of a Unit, other than to the spouse or heir of the Owner, the purchaser or grantee thereof shall be assessed and be subject to a non-refundable, non-prorated capital contribution assessment ("Capital Contribution Assessment").

The Capital Contribution Assessment shall not constitute an advance payment of the annual assessment. The Capital Contribution Assessment shall constitute a specific special assessment against such Unit, a continuing lien against such Unit, and a personal obligation of the Owner of such Unit.

H. **Statement of Account.** Any Owner, Mortgagee, or a Person having executed a contract for the purchase of a Unit, or a lender considering a loan to be secured by a Unit, shall be entitled, upon written request, to a statement from the Association setting forth the amount of assessments and charges due and unpaid, including but not limited to any late charges, interest, fines, attorneys' fees or other charges against such Unit. The Association shall respond in writing within five business days of receipt of the request for a statement; provided, however, the Association may require the payment of a reasonable fee, as a prerequisite to the issuance of such a statement. Such written statement shall be binding on the Association as to the amount of assessments due on the Unit as of the date specified therein, if such statement is reasonably relied upon in connection with the issuance of any Mortgage on such Unit.

I. **Surplus Funds and Common Profits.** Common profits from whatever source shall be applied to the payment of Common Expenses. Any surplus funds remaining after the application of such common profits to the payment of Common Expenses shall, at the option of the Board of Directors, be: (1) distributed to the Owners; (2) credited to the next assessment chargeable to the Owners; or (3) added to the Association's capital reserve account.

7. MAINTENANCE RESPONSIBILITY.

A. **Owner's Responsibility.** Each Owner shall maintain and keep his or her Unit and dwelling in good repair, condition and order except for those portions of the Unit maintained by Association. Such maintenance shall be performed consistent with this Declaration and the Community-Wide Standard established pursuant hereto. Each Owner shall perform his or her responsibility hereunder in such manner so as not to unreasonably disturb other Unit Owners.

Subject to the maintenance responsibilities herein provided, any maintenance or repair performed on or to the Common Property by an Owner or Occupant which is the responsibility of the Association hereunder (including, but not limited to landscaping of Common Property) shall be performed at the sole expense of such Owner or Occupant, and the Owner or Occupant shall not be entitled to reimbursement from the Association even if the Association accepts the maintenance or repair.

B. **Association's Responsibility.** The Association shall maintain, keep in good repair, replace and, in the Board of Directors' discretion, improve or alter the Common Property, if any. As of the Effective Date, there is no real property constituting Common Property within the Community. If in the future, real property is added which constitutes Common Property as defined herein, this maintenance obligation shall include amenities, paved access and parking areas, greenbelts, trees, shrubs, grass, walks, drives and other improvements located on the Common Property. The Association shall also maintain and keep in good repair all water and sewer pipes or facilities which serve the Common Property, to the extent that such pipes and facilities are not maintained by public, private, or municipal utility companies.

In addition, Association shall maintain the perimeter fence located within the landscape easement along Osborne Road and all of the following portions of the yards located on each Unit: (1) front yards, (2) side yards, and (3) other portions of a yard on one or more but not necessarily all Units, if because of the location of a home on a Unit the Association in its sole discretion determines that the curb appeal in an area would be enhanced by maintenance of other portions of the yard; provided, however, that Units on which houses are similarly located are to be treated the same with regard to yard maintenance. For purposes of this Section, the "front yard" shall be defined to include that portion of the Unit bounded by

the line formed by extending the plane of the front of the home to the two (2) side boundaries of the Unit, the two (2) side boundaries of the Unit, and the front boundary of the Unit. The "side yards" shall be defined to include those portions of the Unit between the front yard and the line formed by extending the plane of the back of the home to the two (2) side boundaries of the Unit.

The Association shall have the right, but not the obligation, to maintain public rights of way adjacent to the Community and other property not owned by the Association if the Board of Directors determines that such maintenance would benefit the Community.

The foregoing maintenance shall be performed consistent with the Community-Wide Standard.

If, during the course of performing its maintenance responsibilities hereunder, the Board discovers that maintenance, repair or replacement is required of an item which is the Owner's responsibility, and such maintenance, repair or replacement must be performed for the Association to properly complete its maintenance project, then the Association may perform such work on behalf of the Owner and at the Owner's sole expense, after providing the Owner with at least twenty-four (24) hours notice by telephone or in writing. If, after this notice, the Owner does not remedy the outstanding maintenance item then the Association may, but is not obligated to, perform the maintenance, such being deemed an emergency situation hereunder.

If the Board of Directors determines that the need for maintenance or repair on the Common Property is caused through the willful or negligent act of any Owner or Occupant or his or her family, guests, tenants, or invitees, then the Association may charge the cost of any such maintenance, repair, or replacement as a specific special assessment against the Owner's or Occupant's Unit and the Owner thereof.

The Association shall not be liable for injury or damage to person or property caused by the elements or by the Owner of any Unit, or any other person, or resulting from any utility, rain, snow or ice which may leak or flow from any portion of the Common Property or from any pipe, drain, conduit, appliance or equipment which the Association is responsible to maintain hereunder, unless such injury or damage results directly and solely from the negligence or gross negligence of the Association. The Association shall not be liable to any Owner, or any Owner's Occupant, guest or family for any damage or injury caused in whole or in part by the Association's failure to discharge its responsibilities under this Paragraph where such damage or injury is not a foreseeable, natural result of the Association's failure to discharge its responsibilities. No diminution or abatement of assessments shall be claimed or allowed by reason of any alleged failure of the Association to take some action or perform some function required to be taken or performed by the Association under this Declaration, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken by the Association to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority.

C. Party Walls and Party Fences.

(i) General Rules of Law to Apply. Each wall or fence built as a part of the original construction of the Units which shall serve and separate any two (2) adjoining Units shall constitute a party wall or fence and, to the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

(ii) Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall or fence shall be shared by the Owners who make use of the wall or fence in equal proportions.

(iii) Damage and Distribution. If a party wall or fence is destroyed or damaged by fire or other casualty, then to the extent that such damage is not covered by insurance and repaired out of the

proceeds of insurance, any Owner who has used the wall may restore it, and if the other Owner or Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in equal proportions without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

(iv) **Right to Contribution Runs with Land.** The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors-in-title.

(v) **Arbitration.** In the event of any dispute arising concerning a party wall or fence, or under the provisions of this Section, each party shall appoint one (1) arbitrator. Should any party refuse to appoint an arbitrator within ten (10) days after written request therefore by the Board of Directors, the Board shall appoint an arbitrator for the refusing party. The arbitrators thus appointed shall appoint one (1) additional arbitrator and the decision by a majority of all three (3) arbitrators shall be binding upon the parties and shall be a condition precedent to any right of legal action that each party may have against the other.

D. **Failure to Maintain.** If the Board of Directors determines that any Owner has failed or refused to discharge properly his or her maintenance, repair or replacement obligations pursuant to this Paragraph, then the Association shall give the Owner written notice of: (1) the Owner's failure or refusal; (2) the Association's right to provide necessary maintenance, repair, or replacement at the Owner's sole cost and expense; and (3) the maintenance, repair, or replacement deemed necessary by the Board.

Unless the Board determines that an emergency exists or a violation is re-occurring for which notice previously has been issued hereunder, the Owner shall have 10 days within which to complete maintenance or repair, or if the maintenance or repair is not capable of completion within such time period, to commence replacement or repair within 10 days. If the Board determines that an emergency exists, a violation is re-occurring for which notice has been previously issued hereunder or an Owner has not complied with the demand given by the Association hereunder, the Association may provide any such maintenance, repair or replacement, the costs of which shall be a specific special assessment against the Owner and the Unit.

E. **Maintenance Standards and Interpretation.** The Board of Directors has the authority to establish, interpret and enforce maintenance standards for the Community. These standards may vary over time, however, the variances shall not constitute a waiver by the Board of the right to adopt and enforce maintenance standards under this Paragraph. No Board decision or interpretation regarding maintenance standards shall constitute a binding precedent with respect to subsequent Board decisions or interpretations.

8. ARCHITECTURAL CONTROLS.

A. **Architectural Control Committee.** The Architectural Control Committee ("ACC") shall constitute a standing committee of the Association. The ACC shall consist of the Board of Directors unless the Board of Directors delegates to other Persons the authority to serve on the ACC.

B. **Limitation on Exterior Modifications.** Except as otherwise provided herein, no Owner, Occupant, or any other person may, without written approval of the Board or ACC:

- (i) construct any dwelling or other improvement on a Unit;
- (ii) make any change or alteration that affects the exterior appearance of the Unit; or
- (iii) erect, place or post any object or thing on the Unit that affects the exterior appearance of the Unit.

Additionally, no modification shall encroach onto the Common Property unless expressly approved in writing by the Board.

C. Standards and Interpretation. The Board of Directors may adopt, amend and publish written Community-Wide Standards for modifications that affect the exterior appearance of Units. These standards may vary for different parts of the Community, based on street visibility and location of the proposed modification or Unit. Any standards established by the Board hereunder may be amended or vetoed by a majority of the total Association vote. No Board decision or interpretation regarding such standards shall constitute a binding precedent with respect to subsequent Board decisions or interpretations.

D. Application Process and Review. The Board of Directors may establish procedures, forms, conditions and requirements for the submission of applications for modifications to the exterior appearance of a Unit. Such applications shall be in writing and, unless otherwise provided by the Board, submitted to the ACC. If the application requests any variance from provisions of this Declaration or published Community-Wide Standards related to the exterior appearance of the Unit, the Owner must expressly identify such variance in the application. No approval issued hereunder shall authorize such a variance unless that variance is expressly identified in the application and specifically approved in writing by the Board or ACC.

Except as may otherwise be determined by the Board, the ACC or its designated representative shall be the sole arbiter of such application.

The standard for approval of such modifications shall include, but not be limited to: (1) aesthetic consideration; (2) materials to be used; (3) compliance with the Community-Wide Standards, this Declaration, or the design standards which may be adopted by the Board; (4) harmony with the external design of the existing dwellings, Units and structures, and the location in relation to surrounding structures and topography; and (5) any other matter deemed to be relevant or appropriate by the Board or ACC. The Board or ACC shall approve any request that it determines, in its reasonable discretion, to be in substantial compliance with such standard for approval.

E. Ruling on Application. If the Board or ACC fails to approve or to disapprove such application within 45 days after the application and all required information have been submitted, the Owner submitting the application may issue written notice, via certified mail, to the Association President, informing the President of the Owner's intent to proceed with the modification as identified in the application. The address of the Association President shall be that as is maintained with the Georgia Secretary of State for the Association. Unless the Association issues a written disapproval of the application within 10 days of receipt of the Owner's notice, the approval will not be required and this subparagraph will be deemed complied with as to the items specifically identified in the application. However, even if the requirements of this subparagraph are satisfied, nothing herein shall authorize anyone to construct or maintain any modification that is otherwise in violation of the Declaration, Bylaws or rules and regulations of the Association, or of any applicable zoning or other laws. Except as provided in this subparagraph, no approval of a modification shall be valid unless issued in writing. Owners may not rely on any verbal approval or statements from any person as the approval required for a modification.

F. Appeal. If the ACC does not consist of the Board of Directors, and the ACC disapproves any application or part thereof, an Owner may, in writing, appeal the ACC's decision to the Board. The notice of appeal must be sent to the Board by certified mail and received by the Board within 14 days from the date of the ACC's disapproval notice, or the decision of the ACC shall become final and all rights of appeal shall terminate. Within 45 days of receipt of a timely appeal, the Board shall approve, disapprove, or conditionally approve the Owner's application, and such ruling shall be final and binding on the Owner.

G. Commencement and Completion of Construction. All modifications approved hereunder must be commenced within six months from the date of approval, or such approval shall be deemed revoked, unless the Board or ACC gives a written extension for commencing the work. All work

approved hereunder shall be completed in its entirety within six months from the date of commencement, unless otherwise agreed in writing by the Board or ACC.

H. Professional Consultants and Fees. The Board of Directors shall be authorized to charge, as a specific special assessment, against any Owner and Unit: (1) a reasonable administrative fee for review of modifications on, or submitted plans for, such Unit; and (2) reasonable fees for any architect, engineer or other professional consultant engaged by the Board to assist with review of modifications on, or submitted plans for, such Unit. In the event that the Association retains a professional management company or a professional retained for the purposes of reviewing the plans.

I. Limitation of Liability. The Association, Board of Directors, ACC, and members thereof, are not responsible for ensuring, and shall not be held liable for any injury, damage or loss arising out of: (1) the quality, structural integrity or soundness of any modification on a Unit; or (2) any modification's compliance with building codes, zoning regulations or other governmental requirements.

9. USE RESTRICTIONS.

Each Owner shall be responsible for ensuring that the Owner's family, guests, tenants and Occupants comply with all provisions of the Association Legal Instruments. In addition to the following use restrictions, the Board of Directors may adopt rules and regulations in accordance with the terms hereof and as specified in the Bylaws.

A. Use of Units.

(i) **Residential Use.** Each Unit shall be used for residential purposes only, and no trade or business of any kind may be conducted in or from a Unit or any portion of the Community, except that the Owner or Occupant residing in a dwelling on a Unit may conduct ancillary business activities within the dwelling so long as:

(1) the existence or operation of the business activity is not apparent or detectable by sight, sound, or smell from outside of the dwelling;

(2) the business activity does not involve visitation or deliveries to the Unit by employees, clients, customers, suppliers, couriers, mail carriers, or other business invitees in greater volume than would normally be expected for a Unit without business activity;

(3) the business activity does not involve use of the Common Property, except for necessary access to and from the Unit by permitted business invitees;

(4) the business activity is legal and conforms to all zoning requirements for the Community;

(5) the business activity does not increase any insurance premium paid by the Association or otherwise negatively affect the Association's ability to obtain insurance coverage; and

(6) the business activity is consistent with the residential character of the Community and does not constitute a nuisance or a hazardous or offensive use, or threaten the security or safety of other Owners or Occupants, as determined in Board of Director's discretion.

The Association has no liability for any business activity in the Community. The Association also has no liability for any action or omission by it, its Directors, Officers, agents, representatives and/or vendors, that may adversely impact an Owner's or Occupant's business activity. Each Owner and Occupant hereby releases and holds harmless the Association, its Directors, Officers, agents, representatives and/or vendors, for any interruption or suspension of, or any damages to, any business activities conducted on a Unit. Owners and Occupants shall obtain whatever supplemental

insurance may be necessary to protect their business assets, business continuity and business interests on their Units. The Association is not obligated to obtain any insurance coverage for any Owner's or Occupant's business activity.

The term "business," as used in this provision, shall include, without limitation, any occupation, work or activity that involves the provision of goods or services to persons other than the provider's family for a fee, compensation, or other form of consideration, regardless of whether: (i) such activity is engaged in full or part-time; (ii) such activity is intended to or does generate a profit; or (iii) a license is required therefor.

(ii) **Number of Occupants.** No more than two Occupants per bedroom are permitted in the dwelling, as such bedrooms are depicted on the plans for such dwelling approved by the applicable governmental agency. This occupancy restriction shall not apply to require the removal of any person lawfully occupying a dwelling on the Effective Date hereof. Upon written application, the Board of Directors shall grant variances to this restriction to comply with provisions of the Fair Housing Amendments Act of 1988.

If an Owner is a corporation, limited liability company, partnership, trust or other legal entity not being a natural person, the Owner shall designate in writing to the Board the name(s) of the person(s) who will occupy the dwelling on the Unit. The designated person(s) to occupy the dwelling may not be changed more frequently than once every 12 months without the Board's written consent.

B. **Subdivision of Units.** No Unit may be subdivided into a smaller Unit without the prior written approval of the Board of Directors.

C. **Use of Common Property.** Currently, there is no real property constituting Common Property within the Community. If in the future, real property is added which constitutes Common Property as defined herein, there shall be no obstruction of the Common Property, nor shall anything be kept, parked or stored on or removed from any part of the Common Property without the express written consent of the Board of Directors. The Association may remove and either discard or store any unauthorized personal property left or kept on the Common Property and the Association shall have no obligation to return, replace or reimburse the owner for such property. The Association is not liable to any Person for any loss of, theft of, or damage to any personal property.

The Board may allow an Owner or Occupant to temporarily reserve portions of the Common Property, if any. Such Owner or Occupant, on behalf of himself or herself and his or her guests and family, assumes all risks associated with such use of the Common Property, if any, and all liability for any damage or injury to any person or property as a result of such use. The Association shall not be liable for any damage or injury resulting from such use.

D. **Prohibition of Damage, Nuisance and Illegal Conduct.** Without prior written consent of the Board of Directors, nothing shall be done or kept in the Community which would increase the Common Expenses, damage the Common Property, or be in violation of any statute, rule, ordinance, regulation, permit or other validly imposed requirements of any governmental body. Noxious, destructive, offensive, hazardous, or unsanitary activity shall not be carried on in the Community, as such activity or conduct may be defined in the Association's rules and regulations.

E. **Firearms.** The display or discharge of firearms on the Common Property is prohibited, except: (1) by law enforcement officers; and (2) to transport lawful firearms across the Common Property to or from a Unit. The term "firearms" includes "B-B" guns, pellet guns, and other firearms of all types.

F. **Pets.** No Owner or Occupant may keep any animals other than a reasonable number of generally recognized household pets in the Community, as determined in the sole discretion of the Board of Directors. No Owner or Occupant may keep, breed or maintain any pet for any commercial purpose in the Community. Pets may not be left unattended outdoors. Dogs must be kept on a leash and be under the physical control of a responsible person at all times while outdoors in areas which are not fully

enclosed by a fence. Feces left by pets on the Common Property or on any Unit must be removed promptly by the owner of the pet or the person responsible for the pet.

No potbellied pigs are permitted in the Community. No animals that the Board determines to be dangerous may be brought onto or kept in the Community. If the Board determines that an Owner's or Occupant's pet endangers any person or other pet or creates a nuisance or unreasonable disturbance in the Community, the Board may require that the pet be permanently removed from the Community upon seven days' written notice to such Owner or Occupant. If the Owner or Occupant fails to comply with such notice, the Board may remove the pet and/or obtain a court order requiring the Owner or Occupant to do so.

Any Owner or Occupant who keeps or maintains any pet in the Community agrees to indemnify and hereby holds harmless the Association, its Directors, Officers, and agents, from any loss, damage, claim or liability of any kind or character whatsoever related to such pet. The Board may establish additional rules regarding pets in the Community, which may include restrictions on the breeds, number and/or size of permitted pets.

G. Parking. No Owner or Occupant may keep or bring into the Community more than a reasonable number of vehicles per Unit, as determined in the sole discretion of the Board of Directors. Vehicles only may be parked in garages, driveways on Units, designated parking spaces, or other areas authorized in writing by the Board. Vehicles may not be parked on any grass or landscaped areas on Units.

Disabled and stored vehicles are prohibited from being parked in the Community, except in garages. For purposes of this subparagraph, a vehicle shall be considered "disabled" if it does not have a current license tag or is obviously inoperable. A vehicle shall be considered "stored" if it remains in the Community, other than in a garage, for twenty-four (24) consecutive hours or longer without prior written consent of the Board.

Boats, jet-skis, trailers, buses, taxis, hearses, limousines, recreational vehicles, motor homes, campers, panel trucks, trucks with a cargo-load capacity of one ton or more, full-size vans (excluding vans used by handicapped persons, mini-vans or sport utility vehicles used as passenger vehicles and receiving a "car" or "passenger vehicle" classification by the Georgia Department of Motor Vehicles), vehicles containing visible evidence of commercial use (such as tool boxes, tool racks, ladders, ladder racks or tow winches), and vehicles with commercial writings on their exteriors (except for law enforcement vehicles marked as such) are also prohibited from being parked in the Community, except: (1) in garages or as otherwise approved by the Board; or (2), in the case of service vehicles, on a temporary basis during daytime business hours or during emergencies for the purpose of serving a Unit. The Board may establish additional rules regarding vehicles and parking in the Community, which may include restrictions on the number of vehicles which may be parked in the Community.

If any vehicle is parked in the Community in violation of this Section or the Association's rules, the Board or agent of the Association may tow or boot the vehicle after 24 hours written notice. Such notice shall: (1) be placed on the vehicle; (2) specify the nature of the violation; (3) warn of possible towing or booting; and (4) state the name and telephone number of a person to contact regarding the violation. If 24 hours after such notice is placed on the vehicle the violation continues or thereafter occurs again within six months of such notice, the Board or agent of the Association may have the vehicle towed or booted in accordance with the original notice and without further notice. If a vehicle is parked in a fire lane, is blocking another vehicle or access to another Owner's or Occupant's Unit or dwelling, is obstructing the flow of traffic, or otherwise creates a hazardous condition, no notice shall be required and the vehicle may be towed or booted immediately.

The Association has no liability for any towing or booting in accordance with this subparagraph. Each Owner and Occupant hereby releases and holds harmless the Association, its Directors, Officers, agents and representatives, for any claim or damage from any such towing or booting. The Association's right to tow or boot is in addition to, and not in limitation of all other rights of the Association, including the right to assess fines.

H. **Signs.** Except as may be provided for herein or as may be required by legal proceedings or any governmental construction permitting process, no signs, advertising posters, political placards or billboards of any kind shall be erected, placed, or permitted to remain in the Community without the prior written consent of the Board of Directors or ACC, other than: (1) two professional security signs not to exceed six inches by six inches each in size displayed on a Unit; (2) one professionally lettered "For Sale" sign not to exceed 24" by 30" in size displayed on a Unit being offered for sale; and (3) three professionally lettered political candidate endorsement placards not to exceed 24" by 30" in size displayed on a Unit from 30 days before an election to five days after such election. The Board may adopt rules permitting temporary signs on Units announcing open houses, births, birthdays or other events for limited periods of time. The Board shall have the right to erect signs on the Common Property.

I. **Rubbish and Trash.** Owners and Occupants shall regularly remove all rubbish and trash from the Unit. No rubbish or trash shall be placed on the Common Property, except as provided herein. Rubbish and trash shall be disposed of in appropriate sealed bags and placed in proper receptacles for collection in accordance with acceptable size limitations established by the local municipality. Rubbish and trash shall only be placed outdoors on the evening prior to collection and the receptacles must be returned to the dwelling or garage the day of trash retrieval. The Board may establish additional rules regarding placement of trash cans for pick-up and/or storage, including requiring trash removal in the Community from a single vendor and establishing schedules for trash can placement and trash pickup.

J. **Unsightly or Unkempt Conditions.** Owners and Occupants are prohibited from engaging in activities which cause disorderly, unsightly or unkempt conditions on the Common Property or outside of a dwelling in the Community, such as the assembly and disassembly of motor vehicles and other mechanical devices. Clothing, bedding, rugs, mops, appliances, indoor furniture, and other household items shall not be placed or stored outside the dwelling. Only appropriate outdoor items, such as neatly stacked firewood, potted plants, patio furniture and grills may be kept in the rear of any Unit. Owners and Occupants shall maintain such items in a neat and attractive condition, as determined in the Board's sole discretion.

K. **Drainage.** Catch basins and drainage areas are for the purpose of natural flow of water only. No obstructions or debris shall be placed in these areas. Each Owner and Occupant shall ensure that any drainage grating and/or headwalls on the Owner's Unit are clear of obstruction and debris. Furthermore, no Owner or Occupant may obstruct or rechannel the drainage flows across the Owner's Unit without the approval of the ACC.

L. **Erosion Control; Contamination.** No Owner or Occupant shall engage in any activity which creates erosion or siltation problems or causes contamination of or damage to any stream, water course or any other Unit in the Community. Each Owner and Occupant shall be liable for all damages and restoration costs resulting from such unauthorized activity.

M. **Impairment of Easements.** No Owner or Occupant shall impair any easement existing in the Community, or do any act or allow any condition to exist which will adversely affect the other Units or their Owners or Occupants.

N. **Sight Distance at Intersections.** All property located at street intersections shall be landscaped so as to permit safe sight across the street corners. No fence, wall, hedge, shrub, tree or other landscaping shall be placed or permitted to remain where it would create a traffic or sight problem.

O. **Mailboxes.** Only one mailbox may be located on each Unit. The Owner shall replace or restore any destroyed or damaged mailbox on the Unit. The Board may establish mailbox standards and require reasonable modifications or upgrades to mailboxes and mailbox posts to meet revised community standards.

P. **Yard Sales.** No yard sale, garage sale, flea market or similar activity shall be conducted in the Community without the prior written consent of the Board of Directors and subject to all reasonable conditions that the Board may impose. However, Owners and Occupants may conduct estate sales or similar sales entirely within their dwellings not more than once in any 12 month period.

Q. **Garages.** If garage space is available, Owners and Occupants should park their cars and other motor vehicles in the garage before parking in the driveway. Garage doors also should remain closed when not in use for ingress, egress or garage use, or when the Owner or Occupant is not outside of the Unit. Garage conversions are prohibited; provided, however, that all garage conversions in existence on the Effective Date, and made in compliance with all of the terms of the Original Declaration, local regulations, and State regulations, shall not constitute a violation of this requirement. The Board may adopt additional rules regarding garages.

R. **Window Treatments.** Unless otherwise approved in writing by the Board of Directors, all windows on a dwelling on a Unit which are exposed to a street or another dwelling shall have customary and appropriate window treatments. The Board may establish additional rules regarding window treatments, such as requirements for the location, type and exterior color of window treatments.

S. **Antennas and Satellite Dishes.** Except as provided below or otherwise approved by the Board of Directors, no antenna or other device for the transmission or reception of television signals, radio signals or any form of electromagnetic wave or radiation shall be erected, used or maintained outdoors in any portion of the Community. Direct broadcast satellite ("DBS") antennas and multi-channel multi-point distribution services ("MMDS") one meter or less in diameter and television broadcast service antennas may be installed in accordance with rules and regulations of the Federal Communication Commission ("FCC") and the Association. Any such devices shall be installed in the least conspicuous location available on the Unit that permits reception of an acceptable signal.

10. LEASING AND OCCUPANCY.

To preserve the character of the Community as predominantly owner-occupied, the Leasing of Units is prohibited, except by the Association and as may be provided herein. "Leasing" means the regular, exclusive occupancy of a Unit by any person(s) other than: (1) the Owner or a parent, child or spouse of an Owner (collectively referred to as "Authorized Occupant"); (2) an Authorized Corporate Occupant (defined below); or (3) a roommate of an Authorized Occupant or Authorized Corporate Occupant, when the Authorized Occupant or Authorized Corporate Occupant occupies the Unit as his or her primary residence. An Authorized Corporate Occupant shall be an officer, director, shareholder, member or employee of an Owner that is a corporation; a manager or member of an Owner that is a limited liability company; a partner of an Owner that is a partnership; or a trustee or beneficiary of an Owner that is a trust; provided the Owner receives no rent or other consideration for such occupancy. The name of each Authorized Corporate Occupant shall be designated in writing to the Board and may not be changed more frequently than once every 12 months without the Board's written consent. A person's designation as an Authorized Corporate Occupant shall terminate automatically upon the termination of such person's relationship with the entity holding record title to the Unit.

A. **Permitted Leasing.**

Leasing of Units is allowed only by: (1) a Grandfathered Owner; (2) a non-Grandfathered Owner who has received a Leasing Permit as provided below; (3) a non-Grandfathered Owner who has received a Hardship Permit as provided below; or (4) the Association. Leasing Permits and Hardship Permits shall be valid only as to a specific Owner and Unit and shall not be transferable between either Units or Owners (including a subsequent Owner of a Unit where such permit was issued to the Owner's predecessor-in-title).

(i) **Leasing Permits.** The Board of Directors shall approve an Owner's request for a Leasing Permit if the total number of current, outstanding Leasing Permits plus Grandfathered Units is less than ten (10%) percent; provided, however, a Leasing Permit shall not be issued to any Owner if the

Unit is shown on the Association's books and records to be more than 30 days past due in any assessment or charge or if the Owner is in violation of the Association Legal Instruments or rules. Owners who have been denied a Leasing Permit shall be placed on a waiting list to be issued such a permit, if they so desire, when the above conditions have been satisfied. The issuance of a Hardship Leasing Permit to an Owner shall not cause the Owner to be removed from the waiting list for a Leasing Permit.

(ii) **Hardship Permits.** If the inability to lease will result in an undue hardship to the Owner, then the Owner may seek to lease on a hardship basis, for a term not to exceed one year, by applying to the Board of Directors for a Hardship Permit. The Board may approve or deny an Owner's request for a Hardship Permit in its discretion after considering the following factors: (1) the nature, degree, and likely duration of the hardship; (2) the harm, if any, which will result to the Community if such permit is issued; (3) the number of outstanding Hardship Permits; (4) the Owner's ability to cure the hardship; and (5) whether previous Hardship Permits have been issued to such Owner; provided, however, a Hardship Permit shall not be issued to any Owner if the Unit is shown on the Association's books and records to be more than 30 days past due in any assessment or charge or if the Owner is in violation of the Association Legal Instruments or rules.

A "hardship" as described herein shall include, but not be limited to, the following situations: (1) when the Board determines that an Owner must relocate his or her residence outside the greater Atlanta metropolitan area and cannot, within six months from the date that the Unit was placed on the market, sell the Unit, except at a price below the current appraised market value, after having made reasonable efforts to do so; (2) when the Board determines that an Owner must temporarily relocate out of the metropolitan-Atlanta area for employment purposes and intends to return to reside in the Unit within one year; or (3) an Owner dies and the Unit is being administered by his or her estate.

Unless otherwise determined by the Board, a Hardship Permit authorizes an Owner to lease the Unit once for a term not to exceed one year.

(iii) **Expiration and Revocation of Permits.** Leasing Permits and Hardship Permits are automatically revoked upon: (1) the sale or transfer of the Unit to a third party (excluding sales or transfers to an Owner's spouse); (2) the failure of an Owner to lease his or her Unit for 120 consecutive days at any time after the issuance of such permit; (3) the occupancy of the Unit by the Owner; or (4) every four (4) years at which time the Owner may re-apply for permitting.

A Hardship Permit shall be revoked automatically if, during the term of such permit, the Owner is approved for and receives a Leasing Permit. An Owner may apply for an additional Hardship Permit at the expiration or revocation of a previous one.

B. General Leasing Provisions.

(i) **Notice and Approval.** All leases shall be in writing and in a form approved by the Board of Directors prior to the effective date of the lease. At least seven days before entering into a lease, the Owner shall provide the Board with: (1) a copy of the proposed lease; (2) the names, phone numbers, work locations and work phone numbers of the proposed tenants and all other Occupants of the Unit; (3) the Owner's primary residence address and phone number, work location and work phone number; and (4) such other information required by the Board. If the form of a lease is disapproved, the Board shall notify the Owner what changes are required to bring the lease into compliance with the Association Legal Instruments and rules. Nothing herein gives the Board the right to approve or disapprove a proposed tenant; the Board's approval or disapproval shall be limited to the form of the proposed lease. Within 10 days after executing a lease for a Unit, the Owner shall provide the Board with a copy of the executed lease.

(ii) **Lease Terms.** Units may be leased only in their entirety; no rooms or fractions of Units may be leased without prior written Board approval. There shall be no subleasing of Units or

assignment of leases without prior written Board approval. All leases must be for an initial term of not less than one year, except with written Board approval.

(iii) **Liability for Assessments; Compliance.** The Owner must provide the tenant copies of the Association Legal Instruments and rules.

The following provisions are incorporated into each lease of any Unit, whether or not expressly stated therein:

(1) **Compliance with Association Legal Instruments and Rules.** All terms defined in the Amended and Restated Declaration of Protective Covenants for Chalfont Homeowners Association are incorporated herein by this reference. The Owner and each tenant and Occupant shall comply with all provisions of the Association Legal Instruments and rules. The Owner and tenant also are responsible for violations by any Occupants and guests of the Unit; notwithstanding the fact that such Occupants are fully liable and may be sanctioned for any such violation.

If a Unit is leased or occupied in violation of the Association Legal Instruments or rules, or if the Owner, tenant, Occupant or guest violates the Association Legal Instruments or rules, the Association's Board of Directors shall be authorized to take all enforcement actions against the Owner, tenant and/or Occupant authorized under the Association Legal Instruments or rules.

(2) **Liability for Assessments.** When an Owner who is leasing his or her Unit fails to pay an assessment or any other charge to the Association when due, the delinquent Owner hereby consents to the assignment of any rent received from the tenant during the period of the delinquency. In such case, upon request by the Board, the tenant shall pay to the Association all unpaid assessments and other charges payable during and prior to the term of the lease and any other period of occupancy by the tenant. However, the tenant need not make such payments to the Association in excess of, or prior to the due dates for, monthly rental payments unpaid at the time of the Board's request. All such payments made by the tenant shall reduce, by the same amount, the tenant's obligation to make monthly rental payments to the Owner. The above provision shall not be construed to release the Owner from any obligation, including the obligation for assessments, for which he or she would otherwise be responsible.

C. **Enforcement.**

If a Unit is leased or occupied in violation of the Association Legal Instruments or rules, or if the Owner, Occupant or guest violates the Association Legal Instruments or rules, such violation is deemed to be a default under the terms of any lease or occupancy. In addition to all other remedies permitted by this Declaration, such default authorizes the Owner and/or the Association, as the Owner's delegate and attorney-in-fact, to terminate the lease and/or occupancy and to evict all Occupants, without liability, in accordance with Georgia law. The Association also may require the Owner to evict the Occupants.

D. **Grandfathering Definitions.**

(i) **"Grandfathered Owner"** means an Owner who is lawfully leasing his or her Unit on the Effective Date. To qualify as a Grandfathered Owner, the Owner must, within 30 days of the Effective Date, provide the Board with a copy of the lease in effect on the Effective Date. Grandfathering shall apply only to the Unit owned by such Grandfathered Owner on the Effective Date. Grandfathering shall automatically expire and any lease of the Unit shall automatically terminate on the date the Grandfathered Owner conveys title to the Grandfathered Unit to any Person (other than the Owner's spouse).

(ii) "**Grandfathered Unit**" means the Unit owned by a Grandfathered Owner on the Effective Date hereof.

11. SALE OF UNITS.

An Owner intending to transfer or sell a Unit or any interest in a Unit shall give the Board of Directors written notice of such intention within seven days after executing the transfer or sales documents. As part of the notice, the current Owner shall furnish the Board the name and address of the intended grantee and such other information required by the Board. This Paragraph shall not be construed to create a right of first refusal in the Association or in any third party.

Within seven days after receiving title to a Unit, the purchaser or grantee of the Unit shall give the Board written notice of his or her ownership of the Unit. As part of the notice, the new Owner shall furnish the Owner's name, mailing address and such other information required by the Board.

12. INSURANCE.

A. **Hazard Insurance on Common Property.** The Board of Directors shall obtain hazard insurance for all insurable improvements on the Common Property, if any. This insurance shall include, at a minimum, coverage for fire, wind, storm, hail, vandalism, malicious mischief and civil commotion and shall be in an amount sufficient to cover the full replacement cost of such insurable improvements. Alternatively, the Board may purchase "all-risk" coverage in like amounts.

B. **Association Liability Insurance.** The Board shall obtain a public liability policy applicable to the Common Property, if any, covering the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents, in their capacities as such, with a combined single limit of at least \$1,000,000.00.

C. **Directors' and Officers' Liability Insurance.** The Board shall obtain a directors' and officers' liability insurance policy with a limit of at least \$1,000,000.00.

D. **Fidelity Insurance.** The Board shall obtain a fidelity bond or dishonesty insurance on directors, officers, employees, and other persons handling or responsible for the Association's funds, regardless of whether they are compensated by the Association. If reasonably available, the fidelity bond or dishonesty insurance shall cover at least one-quarter of the annual assessments from all members plus the reserve funds in the custody of the Association at any time during the term of the bond or policy. The bond or policy must provide that it may not be canceled, substantially modified or subject to non-renewal without at least 30-days prior written notice to the Association.

E. **Additional Association Insurance.** The Board may obtain such additional insurance as it deems appropriate.

F. **Premiums and Deductibles on Association Policies.** Premiums for all Association insurance shall be a Common Expense. The policies may contain reasonable deductibles. Deductibles shall not be subtracted from the face amount of the policies in determining whether the insurance equals the full replacement cost of the insurable improvements.

G. **General Insurance Provisions.** In addition to any other terms the Board deems appropriate, all Association insurance shall be governed by the following provisions:

(i) All policies shall be written with a company licensed to do business in Georgia;

(ii) All policies on the Common Property shall be in the name of the Association for the benefit of itself and its members;

(iii) The Board shall have exclusive authority to adjust losses under all Association insurance policies;

(iv) The insurance carried by the Association shall be primary and shall not be brought into contribution with insurance purchased by individual Owners, Occupants, or their Mortgagees;

(v) All hazard insurance policies shall have an inflation guard endorsement and an agreed amount endorsement if reasonably available; and

(vi) A qualified person who is in the real estate industry and familiar with construction in the county where the Community is located shall review the Association's hazard insurance policy at least bi-annually to evaluate the sufficiency of such coverage.

H. **Individual Unit Owner Insurance.** Each Owner shall carry hazard insurance on the Owner's Unit and the structures thereon meeting the same requirements as set forth in subparagraphs (A), (F), (G)(i) and (G)(v) of this Paragraph for insurance on the Common Property.

13. REPAIR AND RECONSTRUCTION AFTER CASUALTY DAMAGE.

A. **Common Property.** In the event of damage to or destruction of any structure on the Common Property, if any, the Board of Directors shall arrange for and supervise the prompt repair or reconstruction of such structure, with such improvements or modifications it deems appropriate, unless 80% of the Owners vote not to do so.

(i) **Construction Fund.** Any insurance proceeds collected on a claim against any Association hazard policy and any special assessments collected pursuant to subparagraph (2) below shall constitute a construction fund to be used by the Board for repair or restoration pursuant to this Paragraph.

(ii) **Proceeds.** If the proceeds of insurance are not sufficient to defray the Board's estimated or actual costs of repair or reconstruction, including, but not limited to, any professional fees and premiums for construction bonds the Board deems necessary, the Board may levy a special assessment against all Owners without the necessity of a membership vote or compliance with any other requirements for approval of special assessments in this Declaration. Any surplus funds remaining after the repair or reconstruction is completed shall be common funds of the Association to be used as determined by the Board.

B. **Units.** In the event of damage to or destruction of any structure on a Unit, the Owner shall either: (1) within 180 days, repair or reconstruct such structure in accordance with plans and specifications approved by the ACC; or (2) within 60 days, clear the Unit of all debris and sod or landscape all portions of the Unit as approved by the ACC.

14. EMINENT DOMAIN.

Whenever any Common Property is taken by, or conveyed in lieu of condemnation to, any authority having condemnation or eminent domain power, the Board of Directors shall give notice thereof to each Owner. If any structure on the Common Property is so taken or conveyed, the Board shall arrange for and supervise the prompt reconstruction of such structure, to the extent sufficient Common Property is available, with such improvements or modifications it deems appropriate, unless 80% of the Owners vote not to do so.

If proceeds from the condemning authority are not sufficient to defray the Board's estimated or actual costs of reconstruction, including, but not limited to, any professional fees and premiums for construction bonds the Board deems necessary, the Board may levy a special assessment against all Owners without the necessity of a membership vote or compliance with any other requirements for

approval of special assessments in this Declaration. Any surplus funds remaining after the reconstruction is completed shall be common funds of the Association to be used as determined by the Board.

15. EASEMENTS.

A. Easements for Encroachment and Overhang. There shall be reciprocal appurtenance easements for encroachment and overhang as between each Unit and such portion or portions of the Common Property adjacent thereto or as between adjacent Units due to the unintentional placement or settling or shifting of the improvements constructed, reconstructed, or altered thereon (in accordance with the terms of this Declaration) to a distance of not more than five (5) feet, as measured from any point on the common boundary between each Unit and the adjacent portion of the Common Property or as between adjacent Units, as the case may be, along a line perpendicular to such boundary at such point; provided, however, in no event shall an easement for encroachment exist if such encroachment occurred due to willful conduct on the part of an Owner, tenant, or the Association.

B. Easements for Use and Employment.

(i) Every Owner of a Unit shall have a right and easement of ingress and egress, use and enjoyment in and to the Common Property which shall be appurtenant to and shall pass with the title to his Unit, subject to the following provisions:

(1) the right of the Association to charge reasonable admission and other fees for the use of any portion of the Common Property, to limit the number of guests of Unit Owner and tenants who may use the Common Property, and to provide for the exclusive use and enjoyment of specific portions thereof at certain designated times by an Owner, his family, tenants, guests, and invitees;

(2) the right of an Association to suspend the voting rights of a Unit Owner and the right of an Owner to use the recreational facilities in the Community, if any, for any period during which any assessment against his Unit which is hereby provided for remains unpaid; and, for a reasonable period of time for an infraction of the Declaration, By-Laws, or rules and regulations;

(3) the right of the Association to borrow money for the purpose of improving the Common Property, or any portion thereof, or for construction, repairing or improving any facilities located or to be located thereon, and give as security for the payment of any such loan a mortgage conveying all or any portion of the Common Property; provided, however, the lien and encumbrance of any such mortgage given by the Association shall be subject and subordinate to any rights, interests, options, easements and privileges herein reserved or established for the benefit of Declarant, or any Unit or Unit Owner, or the holder of any Mortgage, irrespective of when executed, given by Declarant or any Unit Owner encumbering any Unit or other property located within the Community (Any provision in this Declaration or in any such Mortgage given by the Association to the contrary notwithstanding, the exercise of any rights therein by the holder thereof in the event of a default thereunder shall not cancel or terminate any rights, easements or privileges herein reserved or established for the benefit of Declarant, or any Unit or Unit Owner, or the holder of any Mortgage, irrespective of when executed, given by Declarant or any Unit Owner encumbering any Unit or other property located within the Community.); and

(4) the right of the Association to dedicate or transfer all or any portion of the Common Property subject to such conditions as may be agreed to by the members of the Association. No such dedication or transfer shall be effective unless an instrument agreeing to such dedication or transfer has been approved by at least a Majority of the Owners present, or represented by proxy, at a meeting duly called for such purpose and by the Declarant, so long as the Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article IX hereof.

(ii) Any Unit Owner may delegate his or her right of use and enjoyment in and to the Common Property and facilities located thereon to the members of his family, his tenants and guests and shall be deemed to have made a delegation of all such rights to the occupants of any leased Unit.

C. Easements for Utilities. There is hereby reserved to the Association blanket easements upon, across, above and under all property within the Community for access, ingress, egress, installation, repairing, replacing, and maintaining all utilities serving the Community or any portion thereof, including, but not limited to, gas, water, sanitary sewer, telephone and electricity, as well as storm drainage and any other service such as, but not limited to, a master television antenna system, cable television system, or security system which the Association might decide to have installed to serve the Community. It shall be expressly permissible for the association or its designee, as the case may be, to install, repair, replace, and maintain or to authorize the installation, repairing, replacing, and maintaining of such wires, conduits, cables and other equipment related to the providing of any such utility or service. Should any party furnishing any such utility or service request a specific license or easement by separate recordable document, the Board shall have the right to grant such easement.

D. Easements for Maintenance and Repair. There shall be reciprocal appurtenant easements between adjacent Units for the purpose of maintaining or repairing the improvements located on each Unit which easement shall extend to a distance of not more than ten (10) feet as measured from any point on the common boundary between the Units and along a line perpendicular to such boundary at such point. The easement shall be used only for such period of time as is reasonably necessary in order to complete the needed maintenance or repair. The Unit Owner exercising this easement right shall be liable for the prompt repair of any damage to the Unit over which this easement is exercised which is caused by the maintenance or repair work. The damaged portions of such Unit shall be restored to substantially the same condition as existed prior to the damage.

16. MORTGAGEE'S RIGHTS.

A. Approval of Actions. Unless at least two-thirds (2/3) of the first Mortgagees or Unit Owners give their consent, the Association shall not:

- (i) by act or omission seek to abandon or terminate the Community or the Association;
- (ii) change the pro rata interest or obligations of any individual Unit for the purpose of levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards;
- (iii) partition or subdivide any Unit;
- (iv) by act or omission seek to abandon, partition, subdivide, encumber, sell, or transfer the Common Property (the granting of utility easements or rights-of-way for public purposes and the granting other easements for the benefit of the Association shall not be deemed a transfer within the meaning of this clause); or
- (v) use hazard insurance proceeds for losses to any portion of the Community (whether to Units or to Common Property) for other than the repair, replacement, or reconstruction of such portion of the Community.

The provisions of this subparagraph shall not be construed to reduce the percentage vote that must be obtained from Mortgagees or Unit Owners where a larger percentage vote is otherwise required by the Association Legal Instruments for any of the actions contained in this Paragraph.

B. Liability for Assessments. Where the Mortgagee holding a first Mortgage of record or other purchaser of a Unit obtains title pursuant to judicial or non-judicial foreclosure of the Mortgage, it shall not be liable for the share of the Common Expenses or assessments by the Association chargeable to such Unit which became due prior to such acquisition of title. Such unpaid share of Common Expenses or assessments shall be deemed to be Common Expenses collectible from Owners of all the Units, including such acquirer, its successors and assigns. Additionally, such acquirer shall be responsible for all charges accruing subsequent to the passage of title, including, but not limited to, all charges for the month in which title is passed.

C. Right to Information. Upon written request to the Association, identifying the name and address of the holder and the Unit number or address, any Eligible Mortgage Holder will be entitled to timely written notice of:

(i) any condemnation loss or any casualty loss which affects a material portion of the Community or any Unit on which there is a first Mortgage held by such Eligible Mortgage Holder;

(ii) any delinquency in the payment of assessments or charges owed by an Owner of a Unit subject to a first Mortgage held by such Eligible Mortgage Holder which remains unsatisfied for a period of sixty (60) days, and any default in the performance by an individual Unit Owner of any other obligation under the Association Legal Instruments which is not cured within sixty (60) days;

(iii) any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Association; or

(iv) any proposed action which would require the consent of a specified percentage of Eligible Mortgage Holders, as specified herein.

D. Right to Financial Statement. Any holder of a first Mortgage shall be entitled, upon written request, to receive within a reasonable time after request, a copy of the financial statement of the Association for the immediately preceding fiscal year, free of charge to the Mortgagee so requesting.

E. Leasing and Sales. Notwithstanding anything to the contrary herein contained, the provisions of Paragraphs 12 and 13 governing sales and leases shall not apply to impair the right of any first Mortgagee to: (i) foreclose or take title to a Unit pursuant to remedies contained in its Mortgage; (ii) take a deed or assignment in lieu of foreclosure; or (iii) sell, lease, or otherwise dispose of a Unit acquired by the Mortgagee.

17. AUTHORITY AND ENFORCEMENT.

The Community shall be used only for those uses and purposes set out in this Declaration. Every Owner and Occupant shall comply with this Declaration, the Bylaws and rules and regulations of the Association, and any lack of compliance therewith shall entitle the Association and, in an appropriate case, one or more aggrieved Owners, to take action to enforce the terms of the Declaration, Bylaws or rules and regulations. In addition to any rights the Association may have against an Owner's family, guests, tenants or Occupants, as a result of such person's violation of the Association Legal Instruments, the Association may take action under this Declaration against the Owner as if the Owner committed the violation.

Nothing herein shall be construed to affect the rights of an aggrieved Owner or Occupant to proceed individually against a violator hereof for relief from interference with his or her property or personal rights, and the Board of Directors may, in its discretion, require aggrieved individuals to seek redress personally for interference with their personal property rights before the Association intervenes and commences enforcement action hereunder. No claim for any loss, damage or otherwise shall exist by an aggrieved Owner or Occupant against the Association for failure to enforce the provisions hereof if the aggrieved Owner or Occupant has not personally pursued all available remedies against the violator for redress provided under Georgia law.

The Association, acting through the Board, shall be entitled to stop any construction which is not in conformance with approved plans.

The Board of Directors shall have the power to impose reasonable fines, which shall constitute a lien upon the Owner's Unit, and to suspend an Owner's right to vote and/or to use the Common Property for violation of any duty imposed under the Declaration, Bylaws or Association rules. However, nothing herein shall authorize the Association or the Board to deny ingress and egress to or from a Unit. If any Occupant of a Unit violates the Declaration, Bylaws or Association rules, a fine may be imposed against the Owner and/or Occupant, as set forth below. The failure of the Board to enforce any provision of the Declaration, Bylaws or Association rules shall not be deemed a waiver of the right of the Board to do so thereafter.

In any enforcement action taken by the Association under this Paragraph, to the maximum extent permissible, all costs incurred by the Association in abating a violation or otherwise taking action to enforce the Declaration, Bylaws or Association rules, including reasonable attorneys' fees actually incurred, may be assessed against the violating Owner and/or Occupant.

A. Fining and Suspension Procedure. The Board of Directors shall not impose a fine, suspend the right to vote or suspend the right to use the Common Elements, unless and until the Association has sent or delivered written notice to the violator as provided in subsection (i) below. However, compliance with this subparagraph shall not be required for the following: (i) late charges on delinquent assessments; (ii) suspension of voting rights if an Owner is shown on the Association's records to be more than thirty (30) days delinquent in any payment due the Association, in which case suspension of the right to vote shall be automatic; (iii) suspension of the right to use the Common Property if an Owner is shown on the Association's records to be more than thirty (30) days delinquent in any payment due the Association, in which case suspension of the right to use the Common Elements shall be automatic; provided, however, suspension of parking privileges shall require compliance with Paragraph 9(G) above.

(i) **Notice.** If any provision of the Declaration or Bylaws or any Association rule is violated, the Board of Directors shall send the violator written notice identifying the violation and fine(s) and/or suspension(s) being imposed and advising the violator of the right to request a hearing before the Board to contest the violation or the fine(s) and/or suspension(s) or to request reconsideration of the fine(s) and/or suspension(s). Fines and/or suspensions may be effective or commence upon the sending of such notice or such later date specified in such notice, notwithstanding the violator's right to request a hearing before the Board to challenge the fine(s) and/or suspension(s). In the event of a continuing violation, each day the violation continues or occurs again constitutes a separate offense, and fines may be imposed on a per diem basis without further notice to the violator.

(ii) **Hearing.** If a written request for hearing is received from the violator within ten (10) days of the date of the violation notice provided above, then the Board of Directors shall schedule and hold in executive session a hearing affording the violator a reasonable opportunity to be heard. The minutes of the meeting shall contain a written statement of the results of the hearing. The Board may establish rules of conduct for such hearing, which may include limits on time and on the number of participants who may be present at one time. Failure to request a timely hearing as provided herein shall result in loss of the right to challenge and request reconsideration of the fines.

B. Additional Enforcement Rights. Notwithstanding anything to the contrary herein contained, the Board of Directors may elect to enforce any provision of the Declaration, the Bylaws, or the rules and regulations by self-help (specifically including, but not limited to, the towing of vehicles that are in violation of parking regulations) and/or by suit at law or in equity to enjoin any violation or to recover monetary damages or both, without the necessity for compliance with the procedure set forth in subparagraph (a) above.

The Association or its duly authorized agent shall have the power to enter upon any portion of the Common Property to abate or remove, using such force as may be reasonably necessary, any structure, thing or condition which violates the Declaration, the Bylaws or the rules and regulations; provided,

however, the violating Owner or Occupant is given at least two (2) days prior written notice requesting that the violation be removed and abated and the property restored to substantially the same condition as existed prior to the structure, thing or condition being placed on the property and causing the violation. Such removal, abatement and restoration shall be accomplished at the violator's sole cost and expense. If the Association exercises its right subject to this subparagraph, all costs of self-help, including but not limited to, reasonable attorneys' fees actually incurred, shall be assessed against the violating Owner or Occupant and shall constitute a lien against the Unit. All such amounts shall be collected as an assessment pursuant to this Declaration. Additionally, the Association shall have the authority to record in the DeKalb County land records a notice of violation identifying any uncured violation of the Declaration, Bylaws or rules and regulations regarding the Unit.

C. **Failure to Enforce.** Notwithstanding the above, no right of action shall exist against the Association for failure of enforcement where: (i) the Board of Directors determines that the Association's position is not strong enough to justify taking enforcement action; (ii) a particular violation is not of such a material nature as to be objectionable to a reasonable person or justify the expense and resources to pursue; or (iii) the Owner or party asserting a failure of enforcement possesses an independent right to bring an enforcement action therefore at law or in equity and has failed to do so.

18. AMENDMENTS.

A. **Member Approval Procedure.** Except where a higher vote is required for action under any other provisions of this Declaration, the Bylaws or by the Act, this Declaration may be amended with the approval of Owners holding 66-2/3% of the total Association vote. Notice of a meeting, if any, at which a proposed amendment will be considered shall state the fact of consideration and the subject matter of the proposed amendment. No amendment shall be effective until certified by the President and Secretary of the Association and recorded in the DeKalb County, Georgia land records.

B. **Default Approval Procedure After Owner Non-response.** It is recognized that, when Owners fail to participate in an amendment vote because of apathy or other reasons which are not based on any disagreement with a proposed amendment, important amendments to the Declaration or Bylaws may have no chance of approval, with the supermajority voting requirements established under the Act. It also is recognized that supermajority voting requirements are important for Owner actions which are as significant as amending this Declaration or the Bylaws. To balance these competing concerns, this subparagraph establishes a mechanism which provides every eligible Owner an opportunity to issue a vote of approval, disapproval or abstention on proposed amendments to the Declaration or Bylaws, but also a realistic mechanism for approving important amendments, without the damaging consequences of Owner non-response.

The Board shall issue notice of all proposed amendments to each Owner. With each such notice, the Board shall include a copy of the proposed amendment, along with a consent form or ballot, which complies with the requirements of the Bylaws. Each such consent form or ballot shall give Owners an opportunity to vote for, vote against or abstain from voting on the proposed amendment.

If the amendment is not approved or defeated by sufficient vote within 60 days of the amendment notice described above, then the Board may seek to obtain default approval from Owners under this subparagraph. In such case, the Board shall send default approval notice, by certified mail, to all Owners who have not returned consents or ballots on a proposed amendment within that 60-day period. This default approval notice also shall include a consent form or ballot, as provided above, along with a statement that the Owner's failure to return an executed consent form or ballot, marked with a vote for, a vote against, or an abstention from voting on the amendment, within 30 days of the date of such default approval notice, will be deemed consent to such amendment. If the Board does not receive such consent or ballot within that 30-day period, the Owner shall be deemed to have consented to and approved the amendment.

C. **Eligible Mortgage Holder Approval.** In addition to approval by the Owners as provided above, material amendments to this Declaration and the Bylaws must be approved by Eligible Mortgage

Holders who represent at least 51% of the votes of Units that are subject to Mortgages held by Eligible Mortgage Holders. Notwithstanding the above, the approval of any proposed amendment by an Eligible Mortgage Holder shall be deemed implied and consented to if the Eligible Mortgage Holder fails to submit a response to any written proposal for an amendment within 30 days after the Eligible Mortgage Holder receives notice of the proposed amendment sent by certified or registered mail, return receipt requested.

D. Amendments to Comply with Law or Conform Documents. Notwithstanding the foregoing, the Board of Directors, without the necessity of a vote from the Owners, may amend this Declaration and the Bylaws to comply with any applicable state, city or federal law, including but not limited to, compliance with applicable guidelines of the Federal National Mortgage Association ("Fannie Mae"), the Department of Housing and Urban Development ("HUD") and the Veterans Administration ("VA"), or to resolve conflicts between this Declaration, the Bylaws, the Articles, and applicable laws.

E. Validity of Amendments. No Person shall be permitted to bring any legal action to challenge the validity of an amendment to this Declaration or the Bylaws more than one year after the recording thereof in the DeKalb County, Georgia land records.

19. GENERAL PROVISIONS.

A. Security. The Association may, but shall not be required to, provide measures or take actions which directly or indirectly improve security in the Community. Each Owner, for himself or herself and his or her tenants, guests, licensees, and invitees, acknowledges and agrees that the Association is not a provider of security. The Association has no duty to provide security in the Community. Furthermore, the Association does not guarantee that Owners, Occupants and other people will not commit criminal acts in the Community or that unauthorized people will not gain access to the Community. It shall be the responsibility of each Owner to protect his or her person and property, and all responsibility to provide such security shall lie solely with each Owner. The Association shall not be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of measures undertaken.

B. Dispute Resolution. Before filing any lawsuit or administrative proceeding against the Association, the Board of Directors, any Officer or Director, or the Association's property manager, an Owner or Occupant request in writing and attend a meeting with the Board to discuss an amicable resolution of any dispute. The Owner or Occupant shall, in such request and at the meeting, make a good faith effort to explain the grievance and resolve the dispute. Upon receiving a request for a meeting, the Board shall give notice of the date, time and place of the meeting to the person requesting the meeting. The Board shall schedule this meeting for a date not less than seven or more than 30 days from the date of receipt of the meeting request, except with the approval of the Owner or Occupant. After the meeting, the Board shall have a reasonable opportunity to address the Owner's or Occupant's grievance before a suit is filed.

C. No Discrimination. No action shall be taken by the Association or the Board of Directors which would unlawfully discriminate against any person on the basis of race, creed, color, national origin, religion, sex, familial status or handicap.

D. Implied Rights. In addition to express rights, the Association may exercise any right or privilege implied from the existence of any express right or privilege or reasonably necessary to effectuate any such right or privilege.

E. Electronic Records, Notices and Signatures. Notwithstanding any other portion of this Declaration, records, signatures and notices shall not be denied validity or effectiveness hereunder solely on the grounds that they are transmitted, stored, made or presented electronically. The relevant provisions of the Bylaws shall govern the giving of all notices required by this Declaration.

F. Use of Words "Chalfont". "Chalfont" is a service mark of the Association. No person shall use the term "Chalfont" or any derivative in any printed or promotional material without the

Association's prior written consent. However, Owners may use the terms "Chalfont"sm in printed or promotional matter where such term is used solely to specify that particular property is located within the Community. Any use of the name "Chalfont"sm shall be in a manner in which proprietary rights to such name are protected.

G. **Duration.** The covenants and restrictions of this Declaration shall run with and bind the real property in the Community perpetually to the extent provided in the Act.

H. **Severability.** Invalidation of any one of these covenants or restrictions, by judgment, court order, or otherwise, shall in no way affect the application of such provision to other circumstances or affect any other provision(s), which shall remain in full force and effect.
